Visitor's top tips

|| Lanhydroch National Trust is a 30-minute drive and has fantastic mountain bike hire with quite a few tracks to try.

Crantock is a must-visit beach and village for us every time we visit.

The walk to Watergate bay is a lovely route through fields, woods, green lanes and alongside streams.

The New Inn Pub is just down the road and is very welcoming, the Smugglers Inn offers excellent food and the Cornishman at Crantock is dog-friendly.

Catch a show at the famous, open-air Minack Theatre.

Perranporth Beach is stunning, dog-friendly and great for surfing, snorkelling and sailing.

We loved the fish & chip van that visits site twice a week, the portions were huge and the food was fantastic.

Visit Healeys Cornish Cyder Farm near Newquay for a guided tour, it's a brilliant day out, and the kids will love the orchard tractor ride and farm animals.

Walk from site to the gorgeous Holywell Bay Beach.

St. Ives, Port Isaac and Truro are must-visits if you have the time. ||
