

Terms of Use

The Caravan Club provides these files in good faith to assist members with navigation. The data provided to create these files was accurate to the best of The Club's knowledge at February 2008, and is representative of the Club sites and Certificated Location network at that time. The Caravan Club reserve the right to update the information contained in the files without notice, the source data being subject to regular changes and additions. The sites included in the information will be updated at the end of each year. The Caravan Club makes no, and expressly disclaims any, warranties, express or implied, regarding the correctness, accuracy, completeness, timeliness, and reliability of the text, graphics, data, links and any other items contained within the information. The information is supplied "as is" without guarantee or warranty either explicit or implicit. Including, without limitation, any implied warranties of merchantability or fitness for a particular purpose. None of the routes provided are known to be specifically Caravan friendly so please treat every route with caution. You are strongly advised to use your satellite navigation device or route planner in conjunction with your Sites Directory and Handbook directions (also found on individual website site details pages) which have been tried and tested on local routes only.

The Club's license grants the member the right to use the information in a single satellite device or routing and navigation system for purposes of personal routing and navigation. The information may only be used within vehicles that are owned or hired by the member, and may not be used for any commercial purpose, copied or otherwise distributed. It is illegal to reverse engineer, record or otherwise obtain bulk/multiple locations from the information. The Caravan Club use complex data watermarking techniques to identify and protect their intellectual property. The Caravan Club will actively pursue individuals or business involved in the resale, copying or publication of The Data. The Caravan Club also make no warranty or claim that the information will be uninterrupted, error-free or free of viruses or other harmful components. The use of the information with any satellite navigation device, or other device (electronic or other) is purely at the owners' discretion and risk. Under no circumstances shall The Caravan Club or its general partners, their affiliates, or any of their respective partners, officers, directors, employees, agents or representatives be liable for any damages, whether direct, indirect, special or consequential. Including damages for lost revenue, lost profit, delay, accident, loss of property, loss of life or otherwise, arising from or in connection with the use of the product and The Data. Using navigation aids does not replace the need for drivers to be aware of their surroundings and look out for real world navigation prompts including road signs. It is the responsibility of every driver to be aware of the weather, road conditions, other vehicles and anything that could effect driving, directions or visibility.

All materials contained within the information are protected by international copyright laws. The information may not be reproduced, republished, distributed, transmitted, displayed, broadcast or otherwise exploited in any manner without the express prior written permission of The Caravan Club.

As the END USER you accept to being bound by these terms of use.
