VENTURA EUROPEAN MAPPING OFFER

Buy a Ventura Pro Caravan Club Edition sat-nav and you'll get Europe map updates free for life

CARAVAN CLUB members who buy either the 7in S6450 CC (£399 inc p&p) or 5in S5450 CC (£349 inc p&p) Snooper Ventura Caravan Club Edition sat-nav will receive free updates for the lifetime of the unit.

Route planning

The Snooper Ventura Caravan Club Edition is designed for caravan and motorhome users and has been developed and improved following feedback from Club members.

The system allows you to input the length, width, height and weight of your vehicle or outfit and then calculates routes that are practical and safe, avoiding height-restricted bridges, width-restricted roads, steep hills, tight turns, weight restrictions and a host of other potential obstacles right across Europe.

Club site data

Ventura Caravan Club Edition comes pre-loaded with Club site data. Users can search for full Club sites by facility and see almost all of the information found in the Club directory – even photos! CLs and Caravan Europe destinations are listed in standard point-of-interest format.

KEY FEATURES

- Colour touchscreen (7in or 5in)
- Full EU street-level mapping (free updates for the lifetime of the unit)
- TMC Traffic Information (free updates for the lifetime of the unit)
- Junction View
- Reversing camera input
- Car mode – use as a normal car sat-nav

- Hands-free mobile calls via Bluetooth
- Full postcode/city/co-ordinate search
- Supplied with adjustable suction cup windscreen mount

SAVE £50 ON A SATELLITE TV SYSTEM

Club members can buy a Multimo portable set-up for £199 inc p&p (RRP £249.99 inc p&p)

THE MULTIMO portable satellite dish system is a great option for caravanners and motorhomers who want hassle-free television viewing while they're out and about on sites and at rallies etc.

Setting up the Multimo system is easy – place the dish on a level surface (you don't need a tripod) and use the satellite finder to locate a satellite. What's more, it's easy to store – packed in its bag it will fit neatly into a locker.

The Multimo dish can be placed outside on the ground, inside an awning or even beside a window inside a caravan or motorhome – as with any system you'll need a clear view to the south-east*.

The Multimo kit comprises a satellite dish, Vistron receiver, satellite finder, cables, connectors and a carry bag – and members can buy all this for just £199.99 including postage and packing (RRP £249.99).**

How to take advantage of this offer
