**THE
CARAVAN
CLUB**

Set on an historic mill site, Burrs has much to offer with relaxing river and countryside walks, contemporary art and the East Lancashire Steam Railway passing by.

The site is easily accessible, situated just north of Bury town centre and is well situated for trips into Manchester with the tramlink in Bury Centre. The Park is based around the River Irwell and the remains of two cotton mills - Higher Woodhill Mill and Burrs Mill. Extensive development

of the mill sites has left interesting archaeological remains and water courses through the park.

There are many opportunities for outdoor pursuits such as climbing, abseiling and it is ideal for canoeists of all levels, from the purpose built training pool to slalom courses on the river. These activities must be pre-booked at the Activity Centre (tel: 0161 764 9649). The Park also has many trails and a permanent orienteering trail.
