Get to know your site

This is an attractive site with several pitching areas separated by grass banks, shrubs & roses – a splendid choice for family holidays with acres of flat golden sands and rock pools nearby. Nature lovers will enjoy the birds and wildlife around the dunes. The Millennium Commission funded Scottish Seabird Centre at North Berwick uses remote controlled cameras to view Scotland's seabirds in secret.

North Berwick's promontory harbour location also affords exceptional views of Bass Rock and other islands.

Described as 'Edinburgh's Playground', East Lothian combines proximity to 'Auld Reekie' with charming villages of pantiled cottages and a coastline of sandy bays and rocky headlands. Sports include water-skiing, sailing, windsurfing (no hire facilities) and no less than 19 golf courses!
