Welcome to Hawes Caravan Club Site

Get to know your site

This site in beautiful Wensleydale (where the famous cheese has been made for nearly a century) between the River Ure and the market town of Hawes, has a river frontage.

Hawes completes the third of The Club's trio of sites within the boundary of the Yorkshire Dales National Park, serving the northern part. Hawes is one of the highest

market towns in England (850 feet above sea level) and has immense character.

Anyone with a reasonable pair of walking shoes will want to explore further afield, with the beauties of the Dales on the doorstep. The Pennine Way passes close to the site and tracks made in past centuries make it easy to explore on foot.
