

## NIGHT HALTS ON MOTORWAY SERVICE AREAS

IMPORTANT: Each entry assumes the following unless otherwise stated: access from both directions; parking for caravans on heavy goods vehicle park; toilets (including facilities for the disabled); restaurant; cafeteria; shop. Most facilities except shops are open 24 hours. Fuel is usually available on leaving, but it would be a wise precaution to check this. In accordance with fire regulations, no gas may be used in the 'van' because of the risk from fire and/or explosion. All entries are correct as at June 2009

Unless otherwise stated, there is a charge for a caravan to stay overnight. Approximate charges quoted by Moto Services range from £12.00 for an overnight stay, sometimes including breakfast vouchers for the following morning. Welcome Break & Road Chef recommend that you contact the relevant service area direct for prices.
