Grafham Water Caravan Club Site

There is an outdoor swimming pool on this site. Please read the following before using it.

SWIMMING POOL USERS' SAFETY CODE

1. **Spot the Dangers:** Take care, swimming pools can be hazardous. Water presents a risk of drowning, and injuries can occur from hitting the hard surrounds, or from misuse of equipment.
2. **Always swim within your ability:** Never swim after a heavy meal or after drinking alcohol or taking drugs. Avoid holding your breath and swimming long distances under water. Be especially careful if you have a medical condition such as epilepsy, asthma, diabetes or a heart condition.
3. **Check the Pool:** Make sure you know how deep the water is. 0.8 - 1.2m
4. **Take safety advice:** Follow the advice provided for your and others safety. Avoid unruly behaviour which can be dangerous; for instance running on the side of the pool, ducking, acrobatics in the water and on the side of the pool, or shouting or screaming (which could distract attention from an emergency).
 - a) **No diving** is permitted - the pool is of insufficient depth and size.
 - b) **No airbeds or other inflatables** may be used in the water.
 - c) **No alcoholic drinks** may be brought into or consumed in the pool area.
 - d) **No glasses or glass/china containers or drinks cans may be brought into the pool area.**
 - e) **All non-swimmers** must be accompanied by a competent adult swimmer.

Children under 16 years of age may not use the pool unless supervised by an adult.
No face masks, snorkels or flippers.

5. **Look out for yourself and other swimmers:** It is safer to swim with a companion, keep an eye open for others, particularly young children and non-swimmers.
6. **Learn how to help:** If you see somebody in difficulty, get help immediately. In an emergency keep calm and do exactly as you are told.

This pool is for the exclusive use of those who have paid the appropriate site fees to stay on this site.

Visitors who are not staying on the site are not permitted to use the pool.

Do not swim alone.

Make sure all members of your party read this Safety Code
