

Welcome to Bearstead Caravan Club Site

Get to know Bearstead

The site gently slopes towards the open perimeter grounds of Leeds Castle. Surrounded by fields, one of which is a horse paddock and slightly set back from the main road.

The site is centrally located to explore the beautiful countryside of Kent - the Garden of England - and its various tourist attractions: Leeds Castle, the historic town of Maidstone and the North Kent coastline seaside towns of Whitstable & Margate. This is an ideal place to stay to visit the Kent Showground and there are many railways within easy reach for steam enthusiasts.

In addition, this site offers a convenient yet peaceful stop off point en route to the ferry ports.
