# MASTERS OF COMEDY TRIPLE CD SET

RRP £23.97. You pay just £11.97 including free p&p – that's a saving of 50%

YOU COULD be laughing all the way to the site on your next caravan trip with this *Masters of Comedy* triple-CD set starring Tommy Cooper, Frankie Howerd and Les Dawson.

Club members can save 50%, buying the three CDs detailed here for just £11.97 including free delivery (RRP £23.97).

**CD1: Tommy Cooper.** In polls asking who is the best British comedian of all time, Cooper is always near the top. How could such a seemingly incompetent performer have

people rolling in the aisles? The answer was comic genius. This CD recording includes some of his funniest moments.

**CD2: Frankie Howerd.** One of the great British comics to emerge during the mid-20th century, Howerd was hugely popular. During the 1980s he went on to achieve cult status with a new generation. This CD is Frankie at his finest.

**CD3: Les Dawson.** One of this country's favourites, Dawson was famous for his

deadpan delivery, over-the-garden-wall banter and dodgy piano playing. His TV shows regularly drew audiences of millions. This is a compilation of his very best material.
