SAVE ON DEHUMIDIFIERS

Buy a 500ml unit for £39.99 (RRP £49.99) or a 1,500ml version for £49.99 (RRP £69.99) plus £3.95 p&p

MEMBERS CAN purchase one of these portable dehumidifiers (code: D2676) for just £39.99 (RRP £49.99) or two for £69.99, plus £3.95 p&p. Simply place the dehumidifier in any room affected

by damp, plug in and that's it. Without the use of chemicals, it uses Peltier technology (no compressor) to quietly suck up to an amazing 250ml of water from the air each day. Plus, the built-in fan blows out warm air to help dry out damp areas even faster.

The water tank has a 500ml maximum capacity and once this threshold has been reached the power shuts off and the 'full' LED illuminates. Simply switch off, slide out the tank, pour away the water and replace.

Measuring 22 x 13 x 12cm, this 60W unit can be easily moved around your home and comes complete with AC/DC power adaptor and 12V cigarette lighter plug for use in your car.

Also available is a new large-capacity portable dehumidifier (code: D3812). This 75W device measures just 22 x 34 x 17cm yet can suck up 350ml of water each day. It comes complete with a 1500ml water tank. Buy one for £49.99 (RRP £69.99) or two for £79.99, plus £3.95 p&p.

HOW TO ORDER
