## About Caravan Cover

**Caravan Cover** is provided by The Caravan Club Limited. **We** collect **contributions** from members and use the **contributions** for the provision of services and other benefits to members.

**We** offer cover on a discretionary basis which means that **your** Executive Committee has sole and absolute discretion on deciding claims and may accept or reject claims in its discretion. It also means that the Executive Committee may, in its discretion, agree a claim which falls outside the terms of the **Caravan Cover**, or which may even be expressly excluded, if the circumstances warrant it. The discretionary cover **we** provide is not a contract of insurance, and The Caravan Club Limited is not regulated as an insurance company.

## What is our Caravan Cover designed to include?

**Caravan Cover** is designed for members who wish to protect themselves by covering their **caravan, equipment** and **contents** against loss or damage from a range of causes including **accidental damage**, fire, theft, storm, flood and vandalism. **We** do not provide advice on either the suitability of **Caravan Cover** or the level of cover required and so it is important that **you** read the documentation to ensure that **you** are satisfied that **Caravan Cover** meets **your** needs and expectations.

The first part of this booklet, together with the relevant parts of **your Caravan Cover Schedule** and **Statement of Facts**, forms **your Caravan Cover** and should be kept for future reference. Please check that the details shown on **your Caravan Cover Schedule** are correct and call us on 01342 336610 or email [cover@camc.com](mailto:cover@camc.com) if **you** need to make any changes.

### Don't forget to:

- Register **your caravan** with CRiS, the industry's registration scheme.
- Keep **your** CRiS and service documents somewhere safe and not in **your caravan**.
- Maintain all **your** receipts for **your** covered **equipment, contents** and any expenses **you** might want to claim for.

### Helpful information

There are many ways to protect against incidents like detachments or snaking and to prevent claims. **We've** put together lots of helpful advice that can be found at [www.camc.com/advice](http://www.camc.com/advice), but please do contact **us** on [technical@camc.com](mailto:technical@camc.com) or 01342 336611 (9am to 5pm, Mon to Fri) if **you** have any questions.

## Cancellation rights on Caravan Cover

If no such instructions are received **your Caravan Cover** will be effective for the **period of cover** specified in the **Caravan Cover Schedule**.

Provided that no claims have been made on **your Caravan Cover** during the current **period of cover** and nothing has happened which might give rise to a claim, **you** can cancel **your Caravan Cover** at any time after the first 14 days and be entitled to a refund of **your** unused **contribution** less a £25 administration charge. Please note if **you** are paying the **contribution** by instalments and have made a claim in the current **period of cover** the full **contribution** must be paid. **You** can settle the balance with the club or continue paying the monthly instalments until the annual **contribution** is paid in full.

## Law applicable

Unless both parties agree otherwise, English law will apply, but this choice of law does not restrict **your** rights under mandatory provisions of the law of the country where **you** permanently live.

## Territorial limits

Cover is operative whilst the **caravan** is being used:

- In the **United Kingdom**.
- Temporarily on the **Continent of Europe** up to 182 days (including sea crossings) in any **period of cover**. For periods in excess of 182 days please contact **us** for a quotation to arrange cover.

The cost of repatriating the **caravan** from a country outside the **United Kingdom** is not included in **our Caravan Cover** and it is recommended that **you** arrange suitable protection for this, for instance through **our** Red Pennant service.

## Security condition

It is a requirement of cover that whenever the **caravan** is left unhitched from a towing vehicle it is immobilised or protected against theft or unlawful removal by the use of one of the following: a hitch-lock, wheel lock, wheel-clamp, heavy duty chain with an anchor point and lock, an alarm system which is triggered by external sensors of movement or unlawful removal, or immobiliser. **You** may also have to adhere to enhanced security requirements if an endorsement is listed on **your Caravan Cover Schedule**. This may be as a condition of cover or in exchange for a reduction in contribution. (This does not apply when **your caravan** is in for a service as long as it is stored in a secure compound.)

Failure to comply with this **security condition** or additional security endorsements shown on your **Caravan Cover Schedule** means **you** will not be covered for claims following the theft or attempted theft of the **caravan**.

# Section 1: Caravan

This Section of cover applies to **your caravan** when it is being used by **you** or on loan to **your** family or friends, but not if it is let for hire or monetary reward.

## What is covered

The **caravan** structure including the windows, fixtures and fittings as supplied by the manufacturer and **equipment** suffering loss or damage during the **period of cover** arising from **accidental damage**, fire, theft, vandalism, storm or flood.

### Additional cover

1. If the **caravan** is disabled following covered damage **we** may pay the following:
  - a. the cost of moving the **caravan** to the nearest garage, repairer or place of safekeeping
  - b. storage charges while awaiting repair or disposal
  - c. the cost of delivering the **caravan** back to **your** home address in the **United Kingdom** following repair, but only for incidents occurring within the **United Kingdom**
  - d. if the **caravan** remains towable, **your** fuel expenses involved in towing to the nearest repairer and return following repair.
2. Damage to the towing ball and bracket of the towing vehicle but only where the **caravan** is the direct and only cause of such damage. Damage to these items caused by the actions of a negligent **third party** will not be considered.
3. If the **caravan** and/or **equipment** is lost, stolen or damaged beyond economic repair within 5 years of the date that they were first sold as new for Standard Cover, or 15 years for Super Cover, **we** may pay to replace the **caravan** and/or **equipment** with new items of the same or similar manufacture and model or pay the cash equivalent at **our** option. Settlement will take into account any available discount.

### Limitations

To have the full benefit of cover for **your caravan**, while the **caravan** and/or **equipment** are less than 5 years old (if **you** have Standard Cover) or 15 years old (if **you** have Super Cover) from the date that they were first sold as new, they should be covered for the full **replacement value** at the commencement date of the **period of cover** and at all subsequent renewal dates. Any increase in replacement costs during the **period of cover** will be automatically covered. If the level of cover chosen by **you** is not sufficient at the commencement date of **your Caravan Cover**, or at a subsequent renewal date, any claim settlement will be restricted to the **cover limit** shown on the **Caravan Cover Schedule**.

If, at the time of loss, the **caravan** and/or **equipment** are over 5 years old (if **you** have Standard Cover) or 15 years old (if **you** have Super Cover), any claims settlement will be based upon **market value** only.

### Super Cover only

When the **caravan** becomes more than 5 years old it must be serviced annually by a competent **caravan** workshop, for example, a member of the Approved Workshop Scheme ([www.approvedworkshops.co.uk](http://www.approvedworkshops.co.uk)). The service should cover both the roadworthiness of the **caravan** (e.g., chassis and running gear including, but not limited to, brakes, road-lights, tyres) and the habitation aspects (including, but not limited to, gas and electrical systems, water system, functional safety checks on appliances and a damp check). If **you** are unable to provide evidence of an annual service for each year after the **caravan** became five years old, (regardless of when **you** purchased the **caravan**) **we** may only agree to pay the **market value**.

### We do not cover

1. Depreciation, deterioration, manufacturing defects, wear and tear, damage by moth, vermin, mildew, rot, water leakage or any gradually operating process.
2. Window delamination (which is the separation of the front and rear panels of the window) unless **your caravan** has obvious signs of impact damage, is less than 5 years old and the delamination is not covered under any warranty or service agreement.
3. Cracks to windows or panels unless this has been caused by **accidental damage**, fire, theft, vandalism, storm or flood.
4. Damage from flood if at the time of taking out the **Caravan Cover** the storage location of the **caravan** was subject to a flood warning or flood alert issued by a government agency.
5. Replacement of the **caravan** or equipment where the parts are found to be unobtainable (for example because they are no longer manufactured). In this case **we** will pay the last known price of the parts plus the appropriate fitting charge.
6. Mechanical or electrical breakdown, failure or damage.
7. Damage to tyres, unless caused by **accidental damage** to the **caravan** or vandalism.
8. Theft or attempted theft of the **caravan** while unhitched from a towing vehicle, if it is not immobilised or protected against theft or unlawful removal by the use of one of the following: a hitch-lock, wheel lock, wheel-clamp, heavy duty chain with an anchor point and lock, an alarm system which is triggered by external sensors of movement, or immobiliser.
9. The first £50 of any claim on a Standard Cover or any voluntary and compulsory excess as specified on your **Caravan Cover Schedule**. The excess is applicable to each and every incident giving rise to loss or damage leading to a claim.

10. Costs related to poor quality workmanship or materials. **You** are advised to collect **your caravan** personally following repairs to avoid subsequent disputes.
11. Any financial loss, loss of use, or loss of enjoyment, that may arise because of delays such as those caused by the repairer or manufacturer, including if incorrect or broken parts are dispatched.
12. Any theft or loss arising from deception, or from the use of stolen, forged or invalid cheques/ drafts/ bank notes and the like.
13. Repatriation from any country outside the **United Kingdom**.
14. Any loss arising out of the liquidation, insolvency or bankruptcy of a **caravan** dealer or agent.

## Claims settlement

1. If **we** agree a claim, **we** will at **our** option either:
  - a. pay the cost of repairing or replacing damaged parts of the **caravan** and/or **equipment**. Please note, if part of a set or matching part is undamaged or not lost, **we** will only consider the costs related to the lost or damaged part
  - b. replace the **caravan** and/or **equipment** if lost, stolen or damaged beyond economic repair. A **caravan** is economically repairable if the cost of repair does not exceed the market value of your **caravan** at the time of the loss'
  - c. pay an amount equivalent to the value of any loss of or damage to the **caravan** and/or **equipment**. If repair is uneconomical and **your** cover is on a new-for-old **replacement value** basis **you** will have the option of a cash settlement, but this will be based on the **market value** of those items only, or
  - d. settle the claim with a voucher to use at one of **our** preferred suppliers.
2. If a claim for damage results in the **caravan** and/or **equipment** needing new parts or accessories that **we** are unable to obtain, the most **we** may pay will be the last known list price of the part or accessory required, together with an appropriate fitting charge. This will also apply when calculating whether repair is economical. **We** do not replace the **caravan** in circumstances where the **caravan** was economically repairable but cannot be repaired due to unavailable parts.
3. If any improvements are made as a direct result of replacement or repair **you** may be required to contribute towards the claim in addition to the **excess**.
4. In the event of the **caravan** being damaged beyond economic repair, if **you** pay on a monthly basis, **we** will ask for any remaining contribution to be paid before settling the claim.

- Do not admit responsibility.

**For caravan damage claims you must:**

1. Obtain at least one written repair estimate:

Where no additional **contribution** is required, an amended **Caravan Cover Schedule** will be issued.

If a lower **cover limit** is required then **we** will arrange for the appropriate refund of contribution to be sent to **you** and issue an updated **Caravan Cover Schedule**.

## 1 An insured person's legal representation

- a. On receiving a claim, if legal representation is necessary, **we** will appoint a **preferred law firm** as an **insured person's appointed representative** to deal with their claim. They will try to settle the **insured person's** claim by negotiation without having to go to court.
- b. If the appointed **preferred law firm** cannot negotiate settlement of the **insured person's** claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then the **insured person** may choose a law firm to act as the **appointed representative**.
- c. If the **insured person** chooses a law firm as their **appointed representative** who is not a **preferred law firm**, **we** will give the **insured person's** choice of law firm the opportunity to act on the same terms as a **preferred law firm**. However if they refuse to act on this basis, the most **we** will pay is the amount **we** would have paid if they had agreed to the **DAS Standard Terms of Appointment**. The amount **we** will pay a law firm (where acting as the **appointed representative**) is currently £100 per hour. The amount may vary from time to time.
- d. The **appointed representative** must co-operate with **us** at all times and must keep **us** up to date with the progress of the claim.

## 2 An insured person's responsibilities

- b. An **insured person** must give the **appointed representative** any instructions that **we** ask them to.

## 3 Offers to settle a claim

- a. An **insured person** must tell **us** if anyone offers to settle a claim. An **insured person** must not negotiate or agree to a settlement without **our** written consent.
- b. If an **insured person** does not accept a reasonable offer to settle a claim, **we** may refuse to pay further **costs and expenses**.
- c. We may decide to pay the **insured person** the reasonable value of their claim, instead of starting or continuing legal action. In these circumstances the **insured person** must allow **us** to take over and pursue or settle any claim in their name. The **insured person** must also allow **us** to pursue at **our** own expense and for **our** own benefit, any claim for compensation against any other person and the **insured person** must give **us** all the information and help **we** need to do so.

#### 4 Assessing and recovering costs

- a. An **insured person** must instruct the **appointed representative** to have **costs and expenses** taxed, assessed or audited if **we** ask for this.
- b. An **insured person** must take every step to recover **costs and expenses** that **we** have to pay and must pay **us** any amounts that are recovered.

#### 5 Cancelling an appointed representative's appointment

If the **appointed representative** refuses to continue acting for an **insured person** with good reason, or if the **insured person** dismisses the **appointed representative** without good reason, the cover **we** provide will end immediately, unless **we** agree to appoint another **appointed representative**.

#### 6 Withdrawing cover

If an **insured person** settles or withdraws a claim without **our** agreement, or does not give suitable instructions to the **appointed representative**, **we** can withdraw cover and will be entitled to reclaim from the **insured person** any **costs and expenses we** have paid.

#### 7 Expert opinion

We may require the **insured person** to get, at their own expense, an opinion from an expert that **we** consider appropriate, on the merits of the claim or proceedings, or on a legal principle. The expert must be approved in advance by **us** and the cost agreed in writing between **you** and **us**. Subject to this, **we** will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that an **insured person** will recover damages (or obtain any other legal remedy that **we** have agreed to) or make a successful defence.

#### 8 Arbitration

If there is a disagreement about the handling of a claim and it is not resolved through **our** internal complaints procedure the Financial Ombudsman Service may be able to help. This is a free arbitration service for eligible complaints. (Details available from [www.financial-ombudsman.org.uk](http://www.financial-ombudsman.org.uk))

If the dispute is not covered by the Financial Ombudsman Service there is a separate arbitration process available. The arbitrator will be a jointly agreed barrister, solicitor or other suitably qualified person. If there is a disagreement over the choice of arbitrator, we will ask the Chartered Institute of Arbitrators to decide. The arbitrator will decide who will pay the costs of the arbitration. For example, costs may be split between the parties or one party may pay all the costs.
