B + E companies

Companies offering B+E training and tests

Notes:

* Companies marked with an asterisk are also Club Course Training Centres.

* A contact with an asterisk next to their name is a Club instructor.

When contacting these companies, please mention the Caravan and Motorhome Club.

Drivers who passed their car tests after 1 January 1997 have more restricted licences when towing compared to earlier licenses. For heavier combinations, a B+E licence may be required.

It should be noted these companies are not necessarily recommended by the Caravan and Motorhome Club but have contacted us to inform us that they can offer this type of training.
