What can I expect from the Club following my feedback?

Due to the volume of feedback received, we regret we are unable to always offer a response. We always appreciate general feedback on any of our products and services. All feedback is recorded and is considered as part of the Club's ongoing continuous improvement.

What can I expect from the Club following my compliment?

We're delighted to receive compliments when you've been impressed with our service. We will record these and always share them with the staff involved, as well as use them as examples of best practice. Due to the volume of compliments received, we regret we are not always able to offer a response.

If you enjoyed your stay at one of our campsites and received excellent service, we would appreciate your feedback. Please feel free to leave a review on our [website](#), fill out our post-stay survey, or rate your experience on [Trustpilot](#)

What can I expect from the Club following my complaint?

We will aim to resolve a complaint immediately if it is made verbally to a staff member with the necessary experience and authority to deal with it. If this can not be achieved during discussions, the details of your complaint will be passed to the relevant department for further investigation and we'll advise when you will receive a full reply.

Letters of complaint will be acknowledged within 5 working days of receipt and this will confirm when to expect a full response and the name of the person or area of the Club dealing with the complaint. Any webform submissions, or calls, will be acknowledged automatically.

When your case is complex, involves a number of issues or a third party, we may need some time to fully investigate to ensure we have covered everything. In such instances, we will offer a full response within 10 working days (excluding Caravan Cover, Insurance and Sites Operations related complaints which are 20 working days). If we have to work beyond this timescale, we will keep you updated.

Designated staff members are empowered to deal with complaints and have authority to make decisions.

Management controls are in place to ensure complaints are handled promptly, fairly and consistently and at a suitably senior level.

For UK Club Campsite related complaints only

Our Site Staff are in place to ensure things run smoothly during your stay and should be contacted in the first instance to help resolve any issues.

If your complaint relates to a recent stay at a UK Club Campsite, we ask that you share this with us within 28 days of returning from your stay, or as soon as possible. We will review the details and respond to you within 20 working days. This time ensures we can complete a full review with relevant Site Staff and/or Regional Managers ensuring that Club standards are being adhered to. Please raise any complaints, feedback or compliments to uksiterelations@camc.com

For Caravan Cover claim related complaints only

If your claim is fully or partially declined, the decision undergoes a mandatory 'second eyes check' by a senior handler, who also verifies if the claim can be made under the Group Insurance Policy. Should the decline still stand, the case is formally escalated to the Club's dedicated Claims and Complaint Handler/Controller, who conducts a thorough review considering factors such as member loyalty, specific circumstances, and any mitigation or vulnerability. For cases requiring a discretionary payment, the claim is further escalated to the Head of Insurance and Financial Services for approval. Once the final decision is reached, the handler will contact you to explain the outcome.

For all other Caravan Cover and insurance related complaints only

Complaints regarding Caravan Cover can be raised by contacting The Escalations Team on escalations@camc.com. The email should include your cover number, the best number to reach you on, and a brief description of your complaint. A member of the Escalations Team will be in contact within three working days to acknowledge receipt of the complaint and will aim to provide an outcome within 20 working days. If the complaint relates to a product provided by one of our partners, then regulation requires that the matter be referred to the respective partner for resolution.

What to do if you are not happy with the Club's response?

If you feel our response hasn't resolved things properly, please tell us, we would appreciate one last chance to put things right.

For non-insurance products and services, you may wish to consider using Alternative Dispute Resolution (ADR) in which case please contact us and we shall be able to provide you with details of a certified ADR provider and shall let you know whether we intend to use that provider to settle the dispute.

For Caravan Cover and insurance products, if you remain unhappy after the final response letter has been issued you have the right to refer the matter to the Financial Ombudsman Service (FOS). You can find further details about the FOS at <https://www.financial-ombudsman.org.uk/> or by contacting them on 0800 023 4567.
