Getting Medical Treatment Abroad

European/Global Health Insurance Card (EHIC and GHIC)

- If **you** already have a valid EHIC, it will continue to entitle **you** to reduced-cost (sometimes free) medical treatment that becomes necessary while **you** are in a European Economic Area (EEA) country or Switzerland.
The EEA consists of the European Union (EU) countries plus Iceland, Liechtenstein and Norway. Cover will end on the expiry date of **your** EHIC.
- If **you** do not have a valid EHIC, or it is due to expire before **you** travel, **you** can apply for a GHIC. This entitles **you** to reduced-cost (sometimes free,) medical treatment that becomes necessary while **you** are in a European Union (EU) country.
- These cards only give access to state-provided medical treatment. Remember, this might not cover all the things **you** would expect to get free of charge from the NHS in the **UK**. **You** might have to make a contribution to the cost of **your** care.
- **You** can apply for an GHIC online at www.ghic.org.uk or by calling 0300 330 1350.

Please note:

The EHIC/GHIC do not cover the cost of:

- medical treatment in a private hospital or clinic,
- the additional cost of returning to **your home country** or
- for a **close relative** to stay or fly out to be with **you**.

In a medical emergency **you** might not have any control over the hospital **you** are taken to and the closest hospital might be private.

Australia

- If **you** are travelling to Australia **you** should enrol in Medicare which will entitle **you** to subsidised hospital treatments and medicines. **You** can do this by contacting a local Medicare office in Australia.
- All claims for refunds under the Medicare scheme must be made before **you** leave Australia.

For more information on Medicare visit: www.medicareaustralia.gov.au or email: medicare@medicareaustralia.gov.au

Claims Conditions

1. Claims procedure and notification:

You must report claims using the procedures and contact options detailed in this 'Making a claim' section.

The claim must be reported as soon as possible and, preferably, within 31 days of any **bodily injury, illness**, disease, incident, event, redundancy or the discovery of any loss, theft or damage which might lead to a claim under this insurance.

You must also tell **your claims handler** if **you** are aware of any writ, summons or impending prosecution. Every communication relating to a claim must be sent to **your claims handler** as soon as possible. **You**, or anyone acting on **your** behalf, must not negotiate, admit or repudiate (refuse) any claim without **your claims handler's** permission in writing.

2. Claims evidence

Your claims handler will need **you** to give them (and, if necessary, pay for), all the evidence they need to fully assess **your** claim. **You** must have any medical examinations **your claims handler** decides are necessary. **your claims handler** will pay for these. They might ask (and pay) for a post mortem examination in the event of accidental death.

3. Property

You must keep any property which is damaged and, if asked, send it to **your claims handler** at **your** own expense. If **we** pay a claim for the full value of the property and it is then recovered, it will then become **our** property. **We** may refuse to reimburse **you** for any property which **you** cannot provide **proof of ownership** for (such as an original receipt, a valuation, user manual or bank or credit card statements).

4. Transferring of rights

We are entitled to take over any rights in the defence or settlement of any claim and to take proceedings in **your** name for **our** benefit against any other party.

5. Fraudulent claims or misleading information

We take fraud prevention very seriously to keep premium rates down so that **you** do not have to pay for other people's dishonesty. If any claim made by **you** or anyone acting on **your** behalf under this insurance is fraudulent, deliberately exaggerated or intended to mislead, **we** might:

- not pay **your** claim and
- recover (from **you**) any payments **we** have already made in respect of that claim and
- terminate **your** insurance from the time of the fraudulent act and
- inform the police of the fraudulent act.

If **your** insurance is terminated from the time of the fraudulent act, **we** will not pay any claim for any incident which happens after that time and **we** might not return any of the insurance premium(s) already paid.
