

# BOBO CAMPERS FUNXA (4x4)

## 2 berth motorhome

The off-road motorhome, the Discoverer FunXA, is built on a rugged Toyota Hilux 4x4 chassis. It has luxuries unseen in off-road models like a full kitchen and an on-board toilet. A favourite among those discoverers that go far into the bush. Clever touches to reduce the centre of gravity factor were to lower the roof height with 8cm and replace all top cupboards with canvas structures. This model also includes exterior stogage areas all-round.

### Look Inside the Discoverer FunXA (4x4)

[Take a 360° look at the Discoverer FunXA \(4x4\)](#) interior, including day & night layouts.
