A guide to all Centre Rallies
taking place in 2022

Discover your local centre

What is a Centre?

The Club has many local Centres across the UK and Ireland that are at the very heart of our community spirit. Each Centre regularly organises rallies, providing the fun, social aspect of caravanning.

The Centres are run by a voluntary committee and membership is free to all Club members. You can only belong to one Centre at a time, but you don't have to join your local Centre. If you have friends or family who are members of another Centre, or you like to travel to another area of the country, you can join the Centre most convenient for you.

What does your Centre offer you?

The most popular Centre activities are rallies. Held over a weekend or longer, you can participate as much or as little as you like. Maybe take advantage of the local countryside, visit a stately home or local attraction, join in a sporting activity or simply relax; the choice is yours.

The rallies on offer for 2021 are listed on the following pages; these details may change and new rallies will be added throughout the year. For more details and the most up-to-date information visit www.camc.com/centres

Joining or Renewing with a Centre

Annual registration is free to all Club members. You can join, renew or check your Centre registration at www.camc.com/centres or call us on 01342 318813.

Online Search

New rallies are being organised all the time, so keep an eye on the Centre section of our website to see what's coming up.

The online search tool is the best place to stay up to date with the latest additions to the Centre Rallies calendar. Search by date, centre or rally type to find the perfect rally for you and make sure you never miss out.

Bring the family along!

Centre rallies are the perfect opportunity for a family break and a great way for kids (and big kids!) to enjoy time with friends new and old.

Some rallies are specifically aimed at families and will have lots of exciting activities planned for the whole family to get involved with, others are built around local events or visits to attractions which make a great family break. Some Centres even encourage younger members to help with organising their own rallies.
