At a Glance

Level Access

- The site does slope gently throughout with level access to all facilities in at least one area

Step only Access

- The information room has a small 50mm step to access

Accessible Toilets and Showers

- There is a combined accessible toilet and shower cubicle in each toilet block

Accessible Pitches

- Pitch 38 is a designated accessible pitch, pitches are allocated according to your needs or preference, so please contact us in advance to discuss your requirements.

We support the Hidden Disabilities Scheme

- Our organisation supports the Hidden Disabilities Scheme, lanyards and pins are available in reception

Site Address

Bridlington Caravan Club Site
Flamborough Road,
Sewerby,
Bridlington,
East Riding,
YO15 1DU

Arrival and Reception

Approach Route

- Access onto the site is via a tarmac driveway
- The reception building is on the left hand side of the entrance road
- There is a gate to the site that is left open at all times
- The main site is accessed through an electric barrier with controls at 1200mm
- The ground is level in this area with hard surfaced paths linking facilities.

Parking

- A new arrival bay is set outside of the Reception building
- There is space for 10 cars to park opposite Reception, with one marked disabled bay
- There are no Late Night Arrival bays, which means everyone must arrive before 8pm

Entrance into Reception

- There is a dropped kerb to a pathway, which is level and leads to reception
- The entrance door is 900mm wide, over a level threshold
- The entrance door is not power assisted, and opens inwards
- A call bell is available to summon assistance, this is 1500mm above ground level

Reception

- There is approximately 2850mm x 2200mm turning space, clear of the desk and furniture
- The reception desk is set 950mm above the floor and incorporates a dropped section which is 750mm high, with clear knee space
- There is no hearing loop in the reception building
- There is a selection of items available for sale between 600mm and 1900mm

Getting around the Site

- The site has some gentle slopes throughout, however there is a slightly steeper slope that on the access road and path that runs from the reception building to Toilet Block A (1:20)
- Pedestrians share vehicles routes which are well maintained tarmac, but do incorporate speed bumps

Pitches

- There are 149 pitches on site, all of which are hardstanding
- Roll out mats are not provided
- Pitch 38 is a designated accessible pitch, pitches are allocated according to your needs or preference, so please contact us in advance to discuss your requirements.
- There are 10 hardstanding pitches available within 40 metres of the Toilet Block A, 4 of which are fully serviced
- The fully serviced pitches are available to reserve on request

Mobility Accessible pitch

There is a designated mobility accessible pitch (pitch no 38) that has a new surface designed to cater for those with mobility challenges. The pitch has a grid base, to stabilise the gravel, which allows wheels to move more freely across the area. This surface is being trialled and your feedback is welcome. Please contact us in advance to discuss your requirements.
