Site Information

Safety on site

Fire point

Please check where your nearest fire point is so you can raise the alarm if you discover a fire, make a note of where the assembly point is and read the fire action notice. Fire extinguishers are provided at the fire points. If fire breaks out, follow the Site Staff's instructions. Keep your children safe by making them aware of the danger of emergency services rushing to the scene. In the event of fire, alarm/warning bells are located on service points around the site.

Dogs and other Pets

You are responsible for your pet's behaviour. Please make sure your pet is under control at all times; dogs must be kept on a secure lead no more than 2 metres long. We know accidents can't always be avoided, but please clean up quickly and use the dog bins provided. Unless you have an assistance dog, dogs aren't allowed in the toilet blocks, laundry rooms or dishwashing areas.

Vehicles and cycles

For the safety and enjoyment of everyone on site, please keep your speed down. The speed limit on all sites is 5mph; that's 1st gear. Pedestrians always have priority over vehicles when crossing site roads. Please expect that young children may move around your vehicle carelessly, because they have little understanding of road risks, and adapt your driving technique to allow for this. Please make sure you follow one-way systems and there should be no cycling on site during the hours of darkness.

Supervision of children

Parents or guardians are responsible for the safety of children in their care at all times whilst on site. Play areas are never entirely risk free, so we ask children are supervised by an adult. Please remember you are responsible for your children on site.

Security barrier

The security barrier is operated by remote control for entry and exit to the site.

Visitors

Please meet visitors at reception.

Site facilities

Toilets and showers

Please check at the toilet block for cleaning times. Please ensure that children are supervised by an adult at all times.

Laundry

The washing machine and tumble dryer are token operated – tokens can be purchased from reception between 9:00am-9:30am.

Play areas

There is no play area on site but a children's play park and recreation area is directly opposite the site in John Dixon Park.

Recycling facilities

On site for paper and glass, plastic and cans. Located adjacent to the toilet block by the dish washing facilities. Please do not park your car outside the toilet block as this will block access for the recycling bin lorry.

Pitches

Pitch care

Steel awning pegs are required on this site. Please lift awning ground sheets daily.

Motorhomes

If your pitch is left unoccupied, please leave your motorhome sign on display or leave a pitch marker.

Vacating your pitch

If you wish to stay after 12 noon on your day of departure, please enquire at reception.

Barbecues

Barbecues are allowed on site but open fires are not. Please keep them off the grass.

TV reception

Reception is fair, best with aerial horizontal.

Wi-Fi

Wi-Fi is available. Please visit camc.com/Wifi for more information about our Wi-Fi service.

Electric hook-up

The costs of electricity are included in your pitch fee, but please think of the environment by considering your electricity use.

Parking Guide

Car and Caravan

Motorhome

To avoid the spread of fire there must be at least 6 metres between facing walls of adjacent outfits, and 3 metres of space in any direction.

To help us keep you safe please park your caravan or motorhome between the two pitch markers. If you wish to park in a different way, please check with Site Staff.
