Please only use these recommended directions for the final approach and not the sat nav, due to alternative routes being unsuitable for towing. Leave M6 at junction 40 onto the A66 (Keswick). On the outskirts of Keswick keep right onto the bypass (signposted Cockermouth A66). Within 1.5 miles at the roundabout turn left (signposted A5271 Keswick, Borrowdale B5289). At the T-junction turn left; and at mini roundabout turn right and follow signposts onto the B5289. In about 4.25 miles (about 0.5 mile past Borrowdale Hotel) turn right over the double hump bridge into the road signposted Grange, Newlands (please ignore width restriction sign, this does not apply to the bridge). The site is on the right in 1 mile. Please note: when towing, do not approach or leave site along the west side of Derwentwater. Also, before turning right off the B5289 at Grange, check that the bridge is clear, (this does allow caravans.)

Please Note :Care is needed when travelling over the double hump bridge through Grange village and on the final approach as there is narrow turning into the site.
