Pitch type	Peg colour	Hardstanding
Standard with awning	White	
Standard without awning	Blue	

# Site Information

## Safety on site

### Fire point

Please check where your nearest fire point is so you can raise the alarm if you discover a fire, make a note of where the assembly point is and read the fire action notice. Fire extinguishers are provided at the fire points. If fire breaks out, follow the Site Staff's instructions. Keep your children safe by making them aware of the danger of emergency services rushing to the scene. In the event of fire, alarm/warning bells are located at each fire point. Assembly point is marked on the site plan.

### Dogs and other Pets

You are responsible for your pet's behaviour. Please make sure your pet is under control at all times; dogs must be kept on a secure lead no more than 2 metres long. Please exercise your dog in the dog walk/areas, where provided. We know accidents can't always be avoided, but please clean up quickly and use the dog bins provided.

Please do not let your dog off the lead in the fields behind the site as there may be sheep and cattle grazing.

### Supervision of children

Parents or guardians are responsible for the safety of children in their care at all times whilst on site. Play areas are never entirely risk free, so we ask children are supervised by an adult. Please remember you are responsible for your children on site.

### Vehicles and cycles

For the safety and enjoyment of everyone on site, please keep your speed down. The speed limit on all sites is 5mph; that's 1st gear. Pedestrians always have priority over vehicles when crossing site roads. Please expect that young children may move around your vehicle carelessly, because they have little understanding of road risks, and adapt your driving technique to allow for this.

Please make sure you follow one-way systems and there should be no cycling on site during the hours of darkness.

## Pitches

### Pitch care

Steel awning pegs are required on this site.

### Motorhomes

If your pitch is left unoccupied, please leave your motorhome sign on display.

### Vacating your pitch

Grange village is often very congested and we ask that you leave the site by 11.30am to avoid meeting arriving outfits in the narrowest parts of the road.

### Barbecues

These are allowed on site but open fires are not. Please keep barbecues off the grass.

### TV reception

The EHU bollards have a TV socket for the booster system. A cable is required and these are available in the on-site shop.

### Electric hook-up

The costs of electricity are included in your pitch fee, but please think of the environment by considering your electricity use.

### Wi-Fi

Wi-Fi is available. Please visit [camc.com/Wifi](http://camc.com/Wifi) for more information about our Wi-Fi service.

## Site contact details:

**Borrowdale Caravan and  
Mothorhome Club Campsite  
Manesty  
Keswick  
Cumbria  
CA12 5UG**

**Telephone: 01768 777275**

In the event of an emergency outside of office hours please call 999 if required, then contact the Site Staff on the emergency number below.

**Emergency out-of-hours number:  
07593 722145**

## Parking Guide

### Car and Caravan

### Motorhome

To avoid the spread of fire there must be at least 6 metres between facing walls of adjacent outfits, and 3 metres of space in any direction.

To help us keep you safe please park your caravan or motorhome between the two pitch markers. If you wish to park in a different way, please check with Site Staff.
