Site Address

Bunree Club Campsite
Onich,
Fort William,
Highlands,
PH33 6SE,
Scotland

Arrival and Reception

Approach Route

- Access onto the site is via a narrow road, which has a traffic light system before the entrance to help flow of traffic.
- The reception building is on the left hand side when you enter the site
- Access into the site is controlled via a vehicle barrier controlled by card access.
- The ground is level in this area with hard surfaced paths linking facilities.

Parking

- A new arrival bay is set within a few metres of the Reception building.
- There is space for 6 cars to park opposite Reception, however there are no marked bays or disabled bays. The ground in this area is tarmacked, however there is a slope up to reception
- There are no late night arrival bays on site

Entrance into Reception

- There is a dropped curb to the path around reception
- The Entrance door is 750mm wide and with a 60mm threshold
- The entrance door is not power assisted, and opens outwards

Reception

- There is approximately 2500mm x 2200mm turning space, clear of the desk and furniture
- The reception desk is set 900mm above the floor with no dropped section
- The desk is not fitted with a hearing loop

Getting around the Site

- The site is generally set relatively level throughout
- Pedestrians share vehicles routes which are well maintained tarmac, but do incorporate speed bumps

Pitches

- There are 99 pitches on site, all of which are hardstanding
- Temporary multipurpose access rubber matting is not provided
- There are no designated accessible pitches, however pitches are allocated according to your needs or preference, so please contact us in advance to discuss your requirements.
- There are 2 hardstanding pitches and pitches within 50 meters of the toilet block
- There is one pitch closer to reception that is within 100 meters of reception
- Pitches are allocated according to need/preference. Please contact us in advance to discuss your requirements.
