CARAVAN AND MOTORHOME CLUB
SINCE 1967
**Site Information**

**Reception services**
- **Site shop**
  The shop sells drinks, sweets, maps, guides, bread, milk, toilet chemicals, Calor Gas, steel awning pegs, TV booster leads, and other essentials.
- **Mobile & public telephones**
  Most networks don’t work in the area, but there’s a public telephone next to the office.

**Safety on site**
- **Fire point**
  Please check where your nearest fire point is so you can raise the alarm if you discover a fire, make a note of where the assembly point is and read the fire action notice. Fire extinguishers are provided at the fire points. If fire breaks out, follow the Site Staff’s instructions. Keep your children safe by making them aware of the danger of emergency services rushing to the scene. In the event of fire, there are alarm bells at service points, the assembly point is shown on the site plan.

**Dogs and other Pets**
You are responsible for your pet’s behaviour. Please make sure your pet is under control at all times; dogs must be kept on a secure lead no more than 2 metres long. Please exercise your dog in the dog walk/areas, where provided. We know accidents can’t always be avoided, but please clean up quickly and use the dog bins provided. Unless you have an assistance dog, dogs aren’t allowed in the toilet blocks, laundry rooms or dishwashing areas.

**Security Barrier**
There are security barriers on site operated with a card.

**Supervision of children**
Parents or guardians are responsible for the safety of children in their care at all times whilst on site. Play areas are never entirely risk free, so we ask children are supervised by an adult. Please remember you are responsible for your children on site.

**Vehicles and cycles**
For the safety and enjoyment of everyone on site, please keep your speed down. The speed limit on all sites is 5mph; that’s 1st gear. Pedestrians always have priority over vehicles when crossing site roads. Please expect that young children may move around your vehicle carelessly, because they have little understanding of road risks, and adapt your driving technique to allow for this. Please make sure you follow one-way systems and there should be no cycling on site during the hours of darkness.

**Site facilities**
- **Laundry**
  Prices: Washing machine £4.00, Tumble drier £1.00, Rinse & Spin £1.00 per 15min cycle.

  The costs of electricity are included in your pitch fee, but please think of the environment by considering your electricity use.
- **Motorhomes**
  If your pitch is left unoccupied, please leave your motorhome sign on display.
- **Pitch care**
  Steel awning pegs are needed.

  Reception is poor, a booster system is available.

**Car and Caravan**

To help us keep you safe, please park with rear offside or front nearside of caravan or motorhome to the numbered pitch marker. If you wish to park in a different way, please check with site staff.
