Arrival and Car Parking Facilities

There are no vehicle barriers to negotiate at this site.

Pitches

There are a total of 73 pitches. There are no designated accessible pitches though several pitches are recommended and reserved for disabled visitors dependent upon the requirements of the individual.

The nearest pitch is 18 metres away from the reception building and the furthest is over 170m. Disabled people are offered a choice of hard or grass pitch. The site gently sloping, access roads around the site are set to a gradient of up to 1:14, although the pitches themselves are all level.

Most pitches are located within 30 metres of service points.

Reception/ Information

These facilities are located near the site entrance with a ramp up to the entrance. It should be noted that a short section of the ramp is set to a steep gradient of 1:7 posing a barrier to some users. The entrance is not level with a 150mm threshold step at the door. A call bell is provided to alert staff and gain assistance. The reception desk is not currently fitted with a hearing induction loop system to assist hearing aid users.

Toilet Block

There is no toilet block. The site does not have an accessible toilet.
