## **At a Glance**

### **Level Access**

- The site is relatively level throughout but does slope upwards from Toilet Block 1 to Toilet Block 2, with level access to most areas

### **Step only Access**

- The reception does have a 65mm threshold which may be difficult to manoeuvre over

### **Accessible Toilets and Showers**

- There is a combined accessible toilet and shower cubicle in the toilet block

### **Accessible Pitches**

- No designated accessible pitches, however pitches are allocated according to your needs or preference, so please contact us in advance to discuss your requirements.

### **We support the Hidden Disabilities Scheme**

- Our organisation supports the Hidden Disabilities Scheme, lanyards and pins are available in reception

## **Site Address**

Cirencester Park Caravan Club Site  
Stroud Road,  
Cirencester,  
Gloucestershire,  
GL7 1UT

## **Arrival and Reception**

### **Approach Route**

- Access onto the site is via a long tarmac road, with clear signs to the site
- The reception building is on the left hand side when you enter the site
- The gate from the road is left open at all times but access into the site is controlled via a vehicle barrier controlled by card access.
- The ground is level in this area with hard surfaced paths linking facilities.

### **Parking**

- There are 2 new arrival lanes outside of reception
- There is a level grassed area within 35 metres of reception for car parking at the main entrance of the site. There are no designated accessible bays.
- There is 2 Late Night Arrival Bays with electric hook ups

### **Entrance into Reception**

- There is a dropped kerb leading to a short ramp with a single handrail, to the reception building
- There is also a stepped approach with a single handrail to the reception building
- The Entrance Door is 800mm with a 65mm threshold, which could be difficult for those in wheelchairs to manoeuvre
- The entrance door is not power assisted, and opens inwards
- A call bell is available to summon assistance, this is 1200mm above ground level

## Reception

- There is approximately 2500mm x 2800mm turning space, clear of the desk and furniture
- The reception desk is set 900mm high, with no lowered counter or kneespace
- The desk is not fitted with a hearing loop
- There are some items available for sale between 100mm and 1800mm high

## **Getting around the Site**

- The site is generally set relatively level throughout, but slopes upwards from Toilet Block 1 to Toilet Block 2 and the gradient in front of Toilet Block 2 can be steep
- Pedestrians share vehicles routes which are well maintained tarmac, but do incorporate speed bumps

## **Pitches**

- There are 211 pitches on site, 133 of which are hardstanding
- Roll out mats are not provided
- There are no designated accessible pitches, however pitches are allocated according to your needs or preference, so please contact us in advance to discuss your requirements.
- There are 10 gravel pitches on a level section in front of Toilet Block 1 that are recommended for those with accessibility needs
- There are also 7 grass pitches available around the perimeter of Toilet Block 2, which may be appropriate for those with accessibility requirements
