Site Information

Safety on site

Fire point

Please check where your nearest fire point is so you can raise the alarm if you discover a fire, make a note of where the assembly point is and read the fire action notice. Fire extinguishers are provided at the fire points. If fire breaks out, follow the Site Staff's instructions. Keep your children safe by making them aware of the danger of emergency services rushing to the scene. In the event of fire, there are alarm bells at service points, the assembly point is shown on the site plan.

Dogs and other Pets

You are responsible for your pet's behaviour. Please make sure your pet is under control at all times; dogs must be kept on a secure lead no more than 2 metres long. Please exercise your dog in the dog walk/areas, where provided. We know accidents can't always be avoided, but please clean up quickly and use the dog bins provided. Unless you have an assistance dog, dogs aren't allowed in the toilet blocks, laundry rooms or dishwashing areas.

Please keep your dog on a lead in the lanes around the site as this is a sheep farming area.

Supervision of children

Parents or guardians are responsible for the safety of children in their care at all times whilst on site. Play areas are never entirely risk free, so we ask children are supervised by an adult. No electric scooters/hoverboards etc are allowed on site. Please remember you are responsible for your children on site.

Vehicles and cycles

For the safety and enjoyment of everyone on site, please keep your speed down. The speed limit on all sites is 5mph; that's 1st gear. Pedestrians always have priority over vehicles when crossing site roads. Please expect that young children may move around your vehicle carelessly, because they have little understanding of road risks, and adapt your driving technique to allow for this.

Please make sure you follow one-way systems and there should be no cycling on site during the hours of darkness.

Electric vehicles

We now provide a specific vehicle charging area with 2 charging points.

Visitors

Please meet visitors at reception.

Site facilities

Toilets and Showers

Keys are required for the toilet block. These will be given out when you inform the staff of your pitch number. The facility block is cleaned between 10 - 12 noon. Between these times limited showers/toilets are available. The accessible bathroom and toilet require a RADAR key. Please ensure you lock the door and always knock before entering.

An Inclusive bathroom is also available, keys on request – please be considerate and only use if required.

Laundry

Washing machine £4.00, Tumble dryer £1.00, Rinse & Spin £1.00. Washing sinks are also available. Please do not hang washing lines between trees or on the fences.

Biodiversity

The site has areas of broadleaf woodland; a small area of wet woodland and banks. Selective areas of slopes and grass are managed to provide a full native range of grasses and wild flowers to encourage birds, butterflies and insects. Habitat piles have been created in wooded areas to support hedgehogs and other small mammals.

Pitches

Barbecues

Barbecues are allowed on site but open fires are not. Please keep them off the grass.

Electric hook-up

The costs of electricity are included in your pitch fee, but please think of the environment by considering your electricity use.

Motorhomes

If your pitch is left unoccupied, please leave your motorhome sign on display.

Pitch care

Steel awning pegs are required on this site. Please lift awning ground sheets daily.

Vacating your pitch

If you wish to stay after 12 noon on your day of departure, please ask at reception.

Wi-Fi

Wi-Fi is available. Please visit camc.com/Wifi for more information about our Wi-Fi service.

Site contact details:

**Emergency out-of-hours number:
07835 920864**

Parking Guide

Car and Caravan

Motorhome

To avoid the spread of fire there must be at least 6 metres between facing walls of adjacent outfits, and 3 metres of space in any direction.

To help us keep you safe please park your caravan or motorhome between the two pitch markers. If you wish to park in a different way, please check with Site Staff.
