Fire extinguishers are provided at the fire points. If fire breaks out, follow the Site Staff’s instructions. Keep your children safe by making them aware of the danger of emergency services rushing to the scene. Alarm/warning bells are on each fire extinguisher box located around site.

You are responsible for your pet’s behaviour. Please make sure your pet is under control at all times; dogs must be kept on a secure lead no more than 2 metres long. Please exercise your dog in the dog walk/areas, where provided. We know accidents can’t always be avoided, but please clean up quickly and use the dog bins provided. Unless you have an assistance dog, dogs aren’t allowed in the toilet blocks, laundry rooms or dishwashing areas.

For the safety and enjoyment of everyone on site, please keep your speed down. The speed limit on all sites is 5mph; that’s 1st gear. Pedestrians always have priority over vehicles when crossing site roads. Please expect that young children may move around your vehicle carelessly, because they have little understanding of road risks, and adapt your driving technique to allow for this. Please make sure you follow one-way systems and there should be no cycling on site during the hours of darkness.
