At a Glance

Level Access

- The site is relatively level throughout, however there are speed bumps around the site that may be difficult to manoeuvre over

Step only Access

- The information room has step only access

Accessible Toilets and Showers

- There is a combined accessible toilet and shower cubicle in the toilet block

Accessible Pitches

- No designated accessible pitches, however pitches are allocated according to your needs or preference, so please contact us in advance to discuss your requirements.

We support the Hidden Disabilities Scheme

- Our organisation supports the Hidden Disabilities Scheme, lanyards and pins are available in reception

Site Address

Hurn Lane Caravan Club Site
Berrow,
Burnham-on-Sea,
Somerset,
TA8 2QT

Arrival and Reception

Approach Route

- Access onto the site is via a country lane, which leads to a tarmac driveway
- The reception building is on the left hand side when you enter the site
- The gate from the road is left open at all times but access into the site is controlled via a vehicle barrier controlled by a barrier card
- The ground is level in this area with hard surfaced paths linking facilities.

Parking

- A new arrival bay is set within a few metres of the Reception building.
- There is a visitor parking area on a grassed area 130 metres from the reception with a level route to approach, there are no marked disabled bays
- There is a Late Night Arrival Bay on the approach to the reception

Entrance into Reception

- There is a dropped kerb leading to a ramp with a handrail leading to the reception door
- The Entrance door is 750mm wide over a weather strip
- The entrance door is not power assisted, and opens inwards
- There is a call bell at 1400mm high

Reception

- There is approximately 2400mm x 2200mm turning space, clear of the desk and furniture
- The reception desk is set 900mm above the floor and incorporates a lift up section
- The desk is not fitted with a hearing loop

Getting around the Site

- The site is generally set relatively level throughout but does have some shallow gradients
- The site is split into two “halves” which are separated by a hedge, each half has a toilet block within it

- Pedestrians share vehicles routes which are well maintained tarmac, but do incorporate speed bumps which may be difficult to manoeuvre around for anyone in a wheelchair or using walking aids

Pitches

- There are 138 pitches on site, 83 of which are hardstanding
- Roll out mats are not provided
- There are no designated accessible pitches, however pitches are allocated according to your needs or preference, so please contact us in advance to discuss your requirements.
