Site Information

Reception services

The Caravan and Motorhome Club sells rock pegs, toilet chemicals and a few other essentials for your convenience. The Club doesn't control the sale of any other items, which may be offered for sale by Site Staff with the Club's permission – please speak to them for more information.

Reception opening hours

Please see the notices displayed on the door for opening times, new arrivals and emergencies.

Site shop

The shop sells toilet chemicals, gas, ice cream, milk and bread. Newspapers can be ordered before 3pm for the next day.

Safety on site

Fire point

Please check where your nearest fire point is so you can raise the alarm if you discover a fire, make a note of where the assembly point is and read the fire action notice. Fire extinguishers are provided at the fire points. If fire breaks out, follow the Site Staff's instructions. Keep your children safe by making them aware of the danger of emergency services rushing to the scene. In the event of fire, there are alarm bells at service points, the assembly point is in the LNA area.

Dogs and other Pets

You are responsible for your pet's behaviour. Please make sure your pet is under control at all times; dogs must be kept on a secure lead no more than 2 metres long. There is no dog walk on site but dogs may be walked in the adjacent pine woods and dog-friendly beaches are a 10 minute drive. We know accidents can't always be avoided, but please clean up quickly and use the dog bins provided. Unless you have an assistance dog, dogs aren't allowed in the toilet blocks, laundry rooms or dishwashing areas.

Vehicles and cycles

For the safety and enjoyment of everyone on site, please keep your speed down. The speed limit on all sites is 5mph; that's 1st gear. Pedestrians always have priority over vehicles when crossing site roads. Please expect that young children may move around your vehicle carelessly, because they have little understanding of road risks, and adapt your driving technique to allow for this.

Please make sure you follow one-way systems and there should be no cycling on site during the hours of darkness.

Supervision of children

Parents or guardians are responsible for the safety of children in their care at all times whilst on site. Play areas are never entirely risk free, so we ask children are supervised by an adult. Please remember you are responsible for your children on site.

Security

A public footpath runs through the site. As on any site, please take sensible precautions with your possessions.

Site facilities

Ball games

Please do not play ball games on site.

Recycling facilities

Recycling is available for bottles, cans, plastic and paper near the motorhome waste point and at all service points.

Pitches

Pitch care

Steel awning pegs and levelling blocks are required on some pitches. Please lift awning ground sheets daily.

Motorhomes

If your pitch is left unoccupied, please leave your motorhome sign on display.

Vacating your pitch

If you wish to stay after 12 noon on your day of departure, please ask at reception.

Barbecues

Barbecues are allowed on site but open fires are not. Please keep them off the grass.

Electric hook-up

The costs of electricity are included in your pitch fee, but please think of the environment by considering your electricity use.

Parking Guide

Car and Caravan

Motorhome

To avoid the spread of fire there must be at least 6 metres between facing walls of adjacent outfits, and 3 metres of space in any direction.

To help us keep you safe, please park with rear offside or front nearside of caravan or motorhome to the numbered pitch marker. If you wish to park in a different way, please check with Site Staff.
