Site Information

Reception services

Site shop
The shop sells toilet chemicals, TV cables, gas, ice cream, maps and other essentials.

Safety on site

Fire point
Please check where your nearest fire point is so you can raise the alarm if you discover a fire, make a note of where the assembly point is and read the fire action notice. Fire extinguishers are provided at the fire points. If fire breaks out, follow the Site Staff’s instructions. Keep your children safe by making them aware of the danger of emergency services rushing to the scene. In the event of fire, alarm/warning bells are located at all service points, the assembly point is shown on the site plan.

Emergencies
There is a defibrillator in the Information Room. Please inform site staff of any emergencies.

Dogs and other Pets
You are responsible for your pet’s behaviour. Please make sure your pet is under control at all times; dogs must be kept on a secure lead no more than 2 metres long. Please exercise your dog in the dog walk/areas, where provided. Unless you have an assistance dog, dogs aren’t allowed in the toilet blocks, laundry rooms or dishwashing areas.

Vehicles and cycles
For the safety and enjoyment of everyone on site, please keep your speed down. The speed limit on all sites is 5mph; that’s 1st gear. Pedestrians always have priority over vehicles when crossing site roads. Please expect that young children may move around your vehicle carelessly, because they have little understanding of road risks, and adapt your driving technique to allow for this. Please make sure you follow one-way systems and there should be no cycling on site during the hours of darkness.

Supervision of children
Parents or guardians are responsible for the safety of children in their care at all times whilst on site. Play areas are never entirely risk free, so we ask children are supervised by an adult. Please remember you are responsible for your children on site.

Visitors
Please ask visitors to go to reception on arrival and meet after-hours visitors.

Security barrier
There are barriers on site, you’ll be given an entry fob once you have pitched.

Site facilities

Toilets and showers
The toilet blocks are closed for cleaning from 10.30am to 12 noon. A RADAR key is required for the disabled facilities. Please ensure that children are supervised by an adult at all times.
