Site Address

Sherwood Storage Caravan and Motorhome Club Site
Sherwood Farm,
Blyth Rd,
Worksop
S81 0TP

Arrival and Reception

Approach Route

- Access onto the site is via a tarmac driveway
- The reception building is on the left hand side when you enter the site
- There is a gate to the storage facility that remains closed, and requires a fob to enter or leave
- A Secondary gate is locked out of operating hours

Parking

- The access road is wide, and has a layby big enough for new arrivals to pull into
- There is space for 2 cars to park outside of Reception, however there are no marked bays or disabled bays. The ground in this area is tarmac.
- There are no late arrival bays

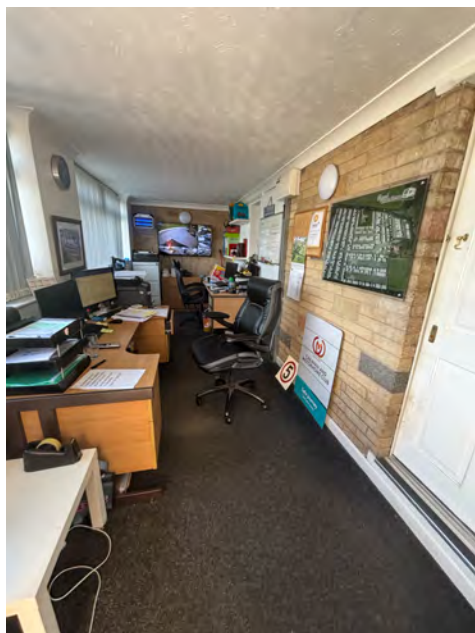

Entrance into Reception

- There is an external door with access to an outdoor courtyard area
- The external door opens to 730mm wide with a 730mm lip, and opens outwards
- The internal door to the reception is 780mm wide over a 170mm step
- The entrance door is not power assisted, and opens inwards
- A call bell is available to summon assistance, this is 1600mm above ground level, however it is a Ring doorbell and has motion detection which alerts site staff to anyone's presence

Reception

- There is approximately 1500mm x 1500mm turning space, clear of the desk and furniture
- There is no main reception desk as the office operates as an office
- The desks are not fitted with a hearing loop

Getting around the Site

- The site is generally set relatively level throughout
- Pedestrians share vehicles routes which are well maintained tarmac
- There is a large vehicle gate to access the site
- The gate has fob access, with the fob pads at 1300mm high for entrance and 1000mm high for exit

Storage Information

- There are 1156 spaces on the site, every storage space is hardstanding
- To book storage or for more information please contact the site staff

Toilets and Changing Facilities

Customer Toilet

- There is one customer toilet on site
- The access to the customer toilet is from inside the main gates
- There is gravel access to the gate
- The external gate is 840mm wide, over a 240mm step with a lock at 1600mm high
- There is an external path leading to the customer toilet
- The door is 750mm wide with a 50mm step and a 100mm step, and opens inwards
- The room has 1000mm x 1700mm clear space
- There is a standard WC
- The basin has twist turn taps

Customer Care & Support

Booking Procedures

- If you have any specific requirements or questions regarding storage, please contact the site directly and they will be happy to discuss your queries

Evacuation

- There is an assembly point in the layby at the bottom of the drive in the event of an emergency
- Please ask at reception for more details

Customer Care and Staff Training

- All on site staff have received disability awareness and etiquette training.

Public Transport

- Worksop train station is approximately 2.5miles from the site
- There is a bus stop approximately a five minute walk from site, buses go regularly to Worksop and Doncaster

Taxi

- Please contact the site who keep a list of local taxi companies including those offering a wheelchair accessible service where available.
