Economy without awning	Blue		

# Site Information

## Reception services

The Caravan and Motorhome Club sells rock pegs, toilet chemicals and a few other essentials for your convenience. The Club doesn't control the sale of any other items, which may be offered for sale by Site Staff with the Club's permission – please speak to them for more information.

## Shop

The site shop sells Calor Gas, toilet chemicals and other caravan essentials.

## Safety on site

### Fire point

Please check where your nearest fire point is so you can raise the alarm if you discover a fire, make a note of where the assembly point is and read the fire action notice. Fire extinguishers are provided at the fire points. If fire breaks out, follow the Site Staff's instructions. Keep your children safe by making them aware of the danger of emergency services rushing to the scene. In the event of fire, there are alarm bells at service points, the assembly point is shown on the site plan.

### Dogs and other Pets

You are responsible for your pet's behaviour. Please make sure your pet is under control at all times; dogs must be kept on a secure lead no more than 2 metres long. Please exercise your dog in the dog walk/areas, where provided. We know accidents can't always be avoided, but please clean up quickly and use the dog bins provided. Unless you have an assistance dog, dogs aren't allowed in the toilet blocks, laundry rooms or dishwashing areas.

### Supervision of children

Parents or guardians are responsible for the safety of children in their care at all times whilst on site. Play areas are never entirely risk free, so we ask children are supervised by an adult. Please remember you are responsible for your children on site.

## Vehicles and cycles

For the safety and enjoyment of everyone on site, please keep your speed down. The speed limit on all sites is 5mph; that's 1st gear. Pedestrians always have priority over vehicles when crossing site roads. Please expect that young children may move around your vehicle carelessly, because they have little understanding of road risks, and adapt your driving technique to allow for this.

Please make sure you follow one-way systems and there should be no cycling on site during the hours of darkness.

## Seagulls

Please don't feed the seagulls, they may be aggressive. Please also put rubbish in bins promptly as they will rip bags apart if left outside.

## Site facilities

### Toilets and showers

The toilet blocks are closed for cleaning from 10.30am to 11.30am.

## Pitches

### Barbecues

Barbecues are allowed on site, but open fires are not. Please leave them off the grass.

### Motorhomes

If your pitch is left unoccupied, please leave your motorhome sign on display.

### Pitch care

Please lift awning ground sheets daily, and only use breathable ground sheets.

### Vacating your pitch

If you wish to stay after 12 noon on your day of departure, please ask at reception.

## Generators & Engines

Please consider the noise for others and only use generators/engines between 9am and 6pm, for limited periods. Battery Charging is available for caravan/motorhome 12V leisure batteries, please ask the Site Staff. Unfortunately we can't charge any other devices.

## Wi-Fi

Wi-Fi is available. Please visit [camc.com/Wifi](http://camc.com/Wifi) for more information about our Wi-Fi service.

## Site contact details:

Steamer Quay Caravan and  
Motorhome Club Campsite  
Steamer Quay Road  
Totnes  
Devon  
TQ9 5AL

Telephone: 01803 862738

**Emergency out-of-hours number:  
07572 817312**

## Parking Guide

### Car and Caravan

### Motorhome

To avoid the spread of fire there must be at least 6 metres between facing walls of adjacent outfits, and 3 metres of space in any direction.

To help us keep you safe, please park with rear offside or front nearside of caravan or motorhome to the numbered pitch marker. If you wish to park in a different way, please check with Site Staff.
