Site Address

Tewkesbury Abbey Caravan Club Site
Gander Lane,
Tewkesbury,
Gloucestershire,
GL20 5PG

Arrival and Reception

Approach Route

- Access onto the site is via a tarmac driveway
- The reception building is on the left hand side when you enter the site
- The gate from the road is left open at all times but access into the site is controlled via a vehicle barrier controlled by fob access.
- The ground is level in this area with hard surfaced paths linking facilities.

Parking

- A new arrival bay is set within a few metres of the Reception building.
- There is no visitor parking on site, visitors are asked to park in the neighbouring car park which is 50 metres from reception
- There is a late night arrival bay in the new arrival area

Entrance into Reception

- The reception is on a first floor level due to flood risk, the access is up two sets of stairs
- There is a dropped kerb to the first set of steps, with a call button at 900mm high here to ask for assistance
- There is a 120mm step up to the reception threshold
- The Entrance door is 800mm wide
- The entrance door is not power assisted, and opens inwards
- A call bell is available to summon assistance on the first floor landing, this is 1200mm high

Stairs to reception

Reception

- There is approximately 3700mm x 4500mm turning space, clear of the desk and furniture
- The reception desk is set 950mm above the floor without a dropped section
- The desk is not fitted with a hearing loop
- There are some items available for sale between 600mm and 1650mm high

Getting around the Site

- The site is generally set relatively level throughout but does slope towards the toilet block
- Pedestrians share vehicles routes which are well maintained tarmac, but do incorporate speed bumps. The speedbumps all have an 800mm gap in the middle to allow any wheelchair users to pass through.

Pitches

- There are 138 pitches on site, 50 of which are hardstanding
- Roll out mats are not provided
- There are no designated accessible pitches, however pitches are allocated according to your needs or preference, so please contact us in advance to discuss your requirements.
- There are hardstanding, paved pitches, grass pitches and hardstanding gravel chipping pitches available.

Toilets and Changing Facilities

Accessible Toilets and Bathing Facilities – Toilet Block

- A combined Accessible Toilet and Shower cubicle is located in the Toilet Block which is set to the middle of the site.
- The toilet block is raised due to flood risk
- The toilet block is accessed via a ramp to the rear of the toilet block, or via wide steps, which lead to a decking walkway. The accessible toilet is on the opposite side of the block from the access ramp.
- The door is 850mm wide, over a level threshold and opens outwards
- The cubicle door is secured by RADAR key. A key can be borrowed from Reception
- The cubicle's overall dimensions are 2700mm x 2500mm
- The WC pan is left hand transfer.
- The shower seat is right hand transfer
- The toilet seat is 480mm, and the shower seat is 450mm above the floor level
