

THE SANDRINGHAM ESTATE

EASY | 15.5 MILES

THE SANDRINGHAM ESTATE CYCLE ROUTE

The route takes in part of National Route 1 of the National Cycle Network, which runs all the way from Dover to London and then up the east coast to Edinburgh and on to John O'Groats, the Orkneys and the Shetlands. The ride takes in West Newton, the Appleton water tower, the Peddars Way, Snettisham Park and, of course, the beautiful Sandringham Estate.

SURFACES

Tarmac with about 2 miles off-road.

TRAFFIC

Very light.

SUITABILITY FOR YOUNG CHILDREN

Yes, but care should be taken and children should remain under constant supervision.

HILLS

One long hill shortly after the start. Fine views of the Wash near Dersingham.

REFRESHMENTS/FACILITIES

Refreshments at Bircham Windmill (6 miles from the start) and Snettisham Park Farm (101/2 miles).

OTHER ROUTES IN THE AREA

National Route 1 continues north from Snettisham towards Wells-next-the-sea, or south to King's Lynn.

DIRECTIONS

- 1 From the Club Site ride through West Newton and up the hill past the Appleton water tower towards Anmer with its wooden village sign.
- 2 From Anmer head towards Great Bircham on a track crossing the Peddars Way (an old Roman Road).
- 3 Turn left just before Great Bircham to Bircham Windmill, which is an ideal place to stop (tea room, bakery and gift shop).
- 4 Continue to Fring and Snettisham on quiet lanes.
- 5 At Snettisham Park, join National Route 1 and follow the route through Ingoldisthorpe and around Dersingham where you will have views over the Wash.
- 6 The final part of the ride is through the Sandringham Country Park and back to the Club Site.

DON'T MISS

“ Nice cafe at Bircham Mill, good refreshments at Sandringham Visitor Centre where they can also visit the gardens, house and museum- there is a charge for this. ”

This route has been suggested by Sustrans' Volunteer Rangers. The Caravan Club would always recommend that any children or young people under 18 years should be fully supervised by a responsible adult. Please be aware that using this route is entirely at your own risk. Extreme care should always be taken when cycling on site, remembering that traffic will be moving around the site and to observe speed limits. Particular attention should be paid when going round blind corners or emerging from paths.
