

# Save up to 67% on your premium

## No Claims Discount

We offer discounts to policyholders who have a claim-free record. Assuming no claims are made, the amount of discount will automatically increase at each subsequent renewal until the maximum level is reached. If you are insured and claim-free, the discount levels are:

**20%** 1 year   **25%** 2 years  
**30%** 3 years   **35%** 4 years or more

The same discounts can be offered to new policyholders who have a claim-free record with another caravan insurer.

For a small extra premium policyholders with a maximum no claims bonus can protect their discount even if they make a claim.

## Policy Excess Discount

**Up to 15%** If you opt for a voluntary excess, premium reductions of 5%, 10% or 15% are offered in return for excesses of £100, £150 or £200 respectively.

†Discounts are not available if we make fitting the device or storage arrangements a condition of the insurance.  
Twin-axle caravans must have two AL-KO Secure or BPW Diamond wheel locks fitted on the same side.  
\*\*Please note, discounts are not added together but applied sequentially

## Valuable benefits and extra security

### Friends and Family

Cover for use by friends and family is included.

### Changing Your Caravan

If you change your caravan, we'll cover your new outfit for up to 14 days automatically – and if you need to dispose of your old caravan, we can cover both for up to 31 days on request.

### Caravanners' Legal Protection

You can take advantage of our specially arranged and competitively priced legal expenses insurance policy. If your caravan is involved in an accident that is not your fault, you have a legal right to claim back your losses from the person who caused the accident.

Even though you may have insurance protection, you could suffer losses that fall outside the scope of a caravan or motor insurance policy. Caravanners' Legal Protection gives you the power to protect your legal rights and can help you recover these uninsured losses.

This service is a real value-for-money added benefit at a cost of just £8.00 (inc. IPT).

### Don't lose it

Theftcheck, created and operated by The Caravan Club, is one of the largest computerised security registers in the country and listing is FREE to members. Registration is automatic for Caravan Insurance policyholders if you supply us with the caravan's identifying number.

You can also use Theftcheck when buying a used caravan to see whether it is listed as stolen in The Club's records.

### Protected No Claims Discount

Available to policyholders who currently have maximum no claims discount. For a small extra premium you can make sure you keep your discount even if you make a claim; what's more the extra benefit will allow you to make up to 2 claims in 4-years and still keep your NCD benefit.

Our Caravan Insurance has been independently rated the maximum 5 Stars by Defaqto, indicating that it is one of the best quality products in the market, providing an excellent range of features and benefits and very high levels of cover.
