Local attractions

- **Sherwood Forest Visitor Centre**
Once part of a royal hunting forest, Sherwood Forest Country Park covers 450 acres and incorporates some truly ancient areas of native woodland where slender birch trees grow alongside more than one thousand veteran oaks, most of which are over 500 years old. The largest and most famous of these is the Major Oak, linked throughout the world to Sherwood's legendary hero Robin Hood.

Welcome to Clumber Park Caravan Club Site

Get to know your site

There's a great feeling of spaciousness here - the site is on 20 acres within 4,000 acres of parkland where you can walk, cycle or ride. Children will enjoy Clumber Park as it is part of what was once Sherwood Forest, and there are plenty of reminders of the Forest's most famous resident, Robin Hood.

Call at the Sherwood Forest Visitor Centre, 10 miles drive from the site, to find out all about him, and to see the Great Oak where he is said to have hidden.
