This leaflet is prepared by The Caravan Club as part of its service to members. The contents are believed correct at the time of publication, but the current position may be checked with the Information Office of The Club.

If car hire is not available in your area, but you need to have a caravan moved, we can supply you with a list of professional transporters/hauliers; contact the Information Department. In addition, our overseas recovery service maintains a list of car owners/drivers who may be able to help out in the UK or abroad; contact Red Pennant at EGH for further information.
