

Welcome to White House Beach Caravan Club Site

Get to know White House Beach

There's a pitch to suit all tastes here, with one part of the site adjacent to the beach and the other enclosed by willow and shrubs. In early summer the foreshore is a riot of colour with wild flowers, including the rare Yellow Poppy. Although Kessingland beach is shingle, nearby Lowestoft has a sandy beach with the Blue Flag and lifeguards.

Africa Alive is a short distance from the site. Lowestoft Airshow takes place each summer. Charming Southwold is a few miles away (where the filming of *Iris* took place). For thrills take the children to Pleasure Wood Hills Theme Park, take a day boat on The Broads, go sea or river fishing and bird watching at Minismere or watch power boat racing on Oulton Broad. This site has something for everyone.
