COOKING TIME
For a delicious, sophisticated alternative to the Christmas leftover-turkey staples of sandwiches and curry, try this recipe for Hot Turkey Salad...

INGREDIENTS
25g/1oz Loseley Summer Meadow Butter*; 1 onion peeled and cut into thin wedges; 110g/4oz button mushrooms; 6 smoked streaky bacon rashers; 250g/12oz cooked turkey diced; 2tbsp red wine vinegar; 3tbsp sherry; 75-150g packet baby spinach leaves; salt and black pepper

METHOD
1. Heat the butter in a frying pan and fry the onion for 3-4 mins. Add the mushrooms and cook for a further 3-4 mins until they start to crisp. Remove from the pan and set aside.
2. Cut the bacon rashers in half and roll them up. Add the bacon rolls to the pan and cook until heated through. Stir in the vinegar, sherry and seasoning, then return the onions and mushrooms to the pan.
3. Arrange the spinach leaves on individual plates then spoon the pan contents and turkey on top; spoon over the cooking juices to warm the leaves slightly and serve immediately.

* Loseley Summer Meadow Butter is available from Morrisons, Waitrose and Iceland

MARKET PLACE
THERE’S NOTHING like a Christmas market to get you in the festive mood... Most cities host a market each year, and it is well worth finding out if a Club centre is organising a rally to coincide with the one you would like to visit. Fancy going to a market but can’t decide which one? Then you may like to visit christmasmarkets.com, which lists all the upcoming ones in the UK, Europe and USA.
